DATE: 9 January 1970

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

1. The January 1970 Class, the 43rd in the history of the JOT/CT Program, began on 5 January with 25 members. In general, the interesting array of speakers and subjects appears to have been received very favorably, although in some instances the relationship of the subject matter to foreign affairs was not apparent.

2. As a result of a meeting on 7 January among Colonel White, Messrs. Bannerman, Duckett, Proctor (for DD/I), (for DD/P), Houston and Stewart, a decision on the CTP Proposal was deferred. ✓ 25X1A9a
Colonel White asked the Deputy Directors to submit their positions in writing by 15 January, following which he (Colonel White) would reach a determination with Mr. Cunningham.
